Please use **ONE TAG PER ITEM** & place the tag(s) **INSIDE** the bag on **TOP** of the items! We have a coding system at pickup so no need to label the outside. You CAN put several blankets/items in one bag as long as all the tags (again 1 per item) are inside the bag preferably placed at the top. To fill out less by hand we've made our tags as fillable PDF's - simply type all you can/want and print!

The 1st blank refers current tag/item you are filling out. The 2nd blank refers to the TOTAL number of items you have in YOUR order. *EXAMPLE: If you have 3 items you'd have 3 bags & 3 tags total. Your tags would be labeled 1 of 3, 2 of 3, & 3 of 3.*
